About midnight Wednesday night John Zebraski of Fitchville, aged 28, was found lying beside the track of the Yantic trolley line near Wightman's switch by the crew of the last car. They had been informed by the cre v of the car which they passed that a man riding north on a bicycle should be looked out for, so they were on their guard. In one instance it wil be necessary for the court to decide the title to some of the property because of a legal entanglement.

The pay was presented with great success. The performance throughout went with smoothness and dash. At the close of the last act the entire cast appeared and joined the audience in singing the national anthem.

In the club scene thirty actor-managers and leading actors appeared, and in every act the play was marked by picturesqueness. The scenery and costumes had been so carefully considered that each scene was a veritable living picture of a bygone period.

A long line of people waited for more than 24 hours at the entrance to the theater to secure admission to the unreserved seats.

selve two tablespoonfuls of Calocide compound in a basin of hot water. Soak the feet in this for full fifteen minutes, gently massaging the sore parts. (A shorter time will not bring results.) The effect will be a revelation. All soreness gone and the feet feel so good you treatment should be repeated each night until the cure is permanent. Corns and callouses can be peeled right off. Bunlons are reduced. Sweaty, smelling feet, tender and swollen feet usually need but a few applications. Any druggist has Caiocide in stock or will get it from his wholesale house Twenty-five cents buys sufficient to put the worst feet in good-condition. Calocide should not be confused with patent medicines. Formerly it was used only by the profession, but is new used by the general public and is surely a blessing especially to those who have been experimenting with ineffectual powders and tablets.

GIRSTEL In Hartford, May 16. Annie wife of Charles Girstel, aged 50 years. Notice of funeral hereafter.

Notice of funeral hereafter. At a special meeting of the directors of the First National bank, held today, the following tribute was adopted:

In the death of Ira L. Peck the directors of The First National Bank feel not only the loss of an able counseller and a staungh supporter of the bank, but also a genial personal friend whose presence always gave pleasure.

Mr. Peck had been a director of this bank since 1902, and his previous long experience as an officer of the Second National Bank peculiarly fitted him for the duties of a director.

He was a man of strict integrity, sound judgment and a pleasant address which made friends of all who came in contact with him, and he will be greatly missed by the directors of this bank and by all with whom he was associated.

Ordered: That the above minutes be placed on the records of the bank, published in the city papers, and a copy thereof sent to the family of Mr. Peck as an expression of our sympathy with them in their great loss.
